

# Natural Resource Development

## FY2015-16

*SB175 Session 2013; MCA 20-9-306(10); Effective July 1, 2014;*

*Provide for a Natural Resource Development K-12 Funding (NRD) payment, which is revenue code 3118 for the district general fund. The funding is distributed to each school district based on the ratio that each district's direct state aid bears to the statewide direct state aid for all school districts.*

<b>Statewide Entitlement Total</b>	<b>\$4,900,000.00</b>
<b>Statewide Direct State Aid</b>	<b>\$436,463,500.97</b>

The NRD payment begins in FY 2015 with a \$3 million appropriation. In subsequent years, the minimum NRD payment is to be calculated by the OPI as the amount needed to prevent a statewide increase in BASE budget levies associated with inflationary increases in the basic and per-ANB entitlements. The NRD payment is a non-levy revenue to school districts and, in GTB-eligible districts, it will offset a portion of the guaranteed tax base aid received by the district.
